**Annual Awards Reception** – At this major event, highly coveted awards are bestowed honoring the significant achievements of individual members recognizing their contributions to VMANYC, as well as to the greater veterinary community. This annual event is attended by community veterinarians and animal health related industry professionals.

**Social Events** – In addition to the many CE programs held during the year, VMANYC organizes social events for its members. These events are designed for networking for not only veterinary professionals but invited guests as well.
