The Veterinary Medical Association of New York City will celebrate its 140th Anniversary year with a celebratory gala at One World Observatory located on the 102nd floor of the World Trade Center, New York, NY.

This year's gala - the Association's largest fundraiser - marks a special milestone for us. You can only turn 140 once, so we have planned a very festive event which will feature a reception, dinner, awards presentation and dancing. Luminaries from New York's veterinary and social community are expected to attend this very special event where we will bestow highly coveted awards to individuals honoring their significant achievements and contributions to the veterinary community.

As co-chairs of this year's event, we personally invite you to join us as a sponsor of the gala. Your corporate sponsorship of the 140th Anniversary Gala will support the Association's mission. In addition, corporate benefits will be extended to our sponsors throughout the anniversary year.

We invite you to join us at this major event by becoming a sponsor. By supporting the VMANYC, one of the oldest and most prestigious local veterinary associations in the United States, you will gain valuable exposure for your business.

We encourage you to take an opportunity to review the attached information which lists all of the benefits associated with your sponsorship and we look forward to a positive response.

Please feel free to contact our Executive Secretary, Linda Chiaverini or our Treasurer, David Wohlstadter directly if you have any questions or wish to discuss this opportunity in more detail.

Thank you for your consideration and we look forward to working with you and your business.

With our deep appreciation and warmest regards,

Sally Haddock, DVM
Zheng Lu, DVM
Danielle Mossa, DVM
