MEMBERSHIP APPLICATION

Applicants for the Veterinary Medical Association of New York City (VMANYC) membership must also join the New York State Veterinary Medical Society (NYSVMS). This application covers membership in both the VMANYC and the NYSVMS, so you only need to complete one application for both organizations. Active membership is open to veterinarians who practice or work in any of the five boroughs of NYC. Associate (non-voting) membership is available for veterinarians practicing outside of that area who belong to their state veterinary associations. New graduates are given free membership in both the VMANYC and the NYSVMS for the first six months following graduation.
